You are where you are because of the relationship someone else had with God for you!

The God that is in you will always draw others be a syndrome for God!

Let God flow through you so you can be a blessing to others!

Be so intertwined with God that you don't allow anyone else to come in between what God has set for you!

There is something specifically set for you!

You are God's child; sit at your seat so you don't miss what God has set before you!

## **Camille's Take-Away #2 – CBT**

*Come Back Truth!*

You get lost because you start believing the lies you tell yourself!

Stop making things greater than the God you serve!

Recognize the power that is within you!

Remember whose child you are; when you remember you're a daughter of the king  
you have power flowing through your veins!

Always come back to the truth; God is the author of the impossible

Praise before, during, and after your storm!

The victory has already been won! The fight has been fixed!

Remember your obedience must win!

Things may not look good, it may not feel good, but at the end all glory and honor  
and praise will be given to God!

*Sistar, you serve something greater than you therefore you shall be greater too!*
