Sis. Katrina's lesson recap | 08/13/2023 | The Audacity of Spittle

The following is a lesson recap by Sis. Katrina Brown

Audacity of Spittle

What does it mean to have audacity? *Boldness or daring especially with confident, or arrogant disregard for personal safety convention thought or other restrictions, shameless boldness (Dictionary.com)*

Is audacity a positive word? It Depends on the person with the "Audacity."

Positive: having the bravery to do something that could offend others (brave, bold)

Negative: rude, disrespectful

As a Christian you should have the audacity to hope even when life doesn't give us the expectations we thought

Week 2: The Audacity of Spittle: Mark 8:22-26

Have you ever heard the saying location matters? Sistar in your audacity to spittle remember you location with God matters!

- ❖ Bethesda was known as the house of fish; remember there is a difference in where you were born and where you were raised.
- ❖ Your Bethesda will be those places that are designed to rob you from the great blessings that God has prepared for you.
- ❖ Remember that your healing comes in your Bethesda moment.
- ❖ God allowed Christ to be born in one place but to perform a mighty miracle in your journey in a foreign place.
- ❖ Just as Christ had to lead the blind man away from the city (Bethesda) you to Sistar have to be led away from.
- ❖ You can't become free until you reach out for Jesus's hand and release that which you are holding on to.
- ❖ Sistar do you want to be freed from your Bethesda or do you want God to take you away; the choice is up to you!
