Dr. Dye's Lesson Re-Cap| 01/14/24| The number 2024

The following is a lesson recap of Dr. Dye's
 "2024 Year of journey into hope with confident expectations"

Sistars 2024 is the year of new beginnings and release.

2024 equals 8

$$2+2 = 4$$

$$4+4 = 8$$

The meaning of 8 is fresh or new start.

*The number that proceeds before 8 is 7 which means completion of a cycle.
 There are 7 days in a week with each new week becoming the beginning of a
 new cycle.*

Each day you live brings you closer to a new cycle.

*Don't bring your 2023 into your 2024 because you will break the new cycle
 that is to begin.*

8 always follows 7 and numbers are in order.

God doesn't make any mistakes! He is a God of order!

God makes all things well!

*In music there is only 7 notes; the 8th note brings you back to where you
 start. Each note brings you to a new beginning!*

*There are 365 days in a year, 12 months in a year; the number 12 represents
 perfection its build on multiples of 3's (3,6,9,12)*

If you add 1+2 it equals 3

The 3's represent God the father, God the son, and God the Holy Spirit

There are 365 days in the year.

3+6+5 equals 14 which is 7x2 there are 52 weeks in a year.

5+2 equals 7 (7 days in a week)

52 weeks in a year (7x7=49)
