*SisStars there is healing through the resurrection of Jesus!*  
*SisStar God will use whatever he needs in order to get the best out of you!*  
*SisStar God has fashioned your purpose and he had put a deposit down in order for you to get through any trial!*  
*SisStar God has a deposit for your life: believe that God has fashioned you for whatever is to come.*  
*SisStar as a woman of God you should be excited about what God is doing on this side of heaven.*

## **I. Resurrecting Power!**

- SisStar you must give God your purpose before your oil can run!
- SisStar before you can give God your purpose you must take your grave clothes off

Sis. Katrina's Lesson Re-Cap| 07/28/24|Resurrection Oil -Part 5

- SisStar sometimes your grave clothes will look like: your spouse, your children, your job, your friends, your weekend activities, your sport, sometimes other ppl and things
- What is preventing you from giving God your all?
- SisStar remove the sin objects and addictions so that you can draw closer to God.
- SisStar be careful of the vices that Satan will use to keep you from staying in line with the vision.
- SisStar what obstacle has Satan put in front of you that prevents you from walking in purpose?
- SisStar you must stay connected to God because it's your job to move the "stones(obstacles)" from others.
- It's in the moving the stones that God has his chance to shine through.
- SisStar, do you smell like death?
- Are you being called from the death but not living out your calling?
- SisStar, are you carrying the sin and shame of your past and not allowing God to free you?
- SisStar stop walking around in your grave attire!
- SisStar this Christian Walk is not always going to be easy but it starts with taking a look on the inside.
- SisStar, you have been freed and brought out of the death tomb but because you won't surrender you smell and look as if you have grave clothes.
- SisStar own the freedom that God has given you!
- You can't just come out of the tomb you must take the grave clothes off!
- You are not what you have been through!
- Your praise is not going to look like what you have been through!
- Your everyday living does not have to look like what you are feeling!
