Sistar Tiffany's Lesson Re-Cap| 02/11/24| Whose authority told you that?

- When you allow yourself to get caught up in the negative thoughts and feelings you are subjecting yourself to the authority of Satan.
- Sistar when you operate in fear you are telling God “I don’t want to do what you say... I know what’s best!”
- Sistar you must learn to trust in God – (Definition of trust, putting my full weight in God and believing he can handle it all)
- Sistar when you believe in your source; there is no-thing that can come against you.
- There is a lesson in everything you go through; embrace it and take it in strides.
- Are you a counterfeit or the real thing?
- God desires for you to operate with power because of the blood that is covering you.
 - Sistar in order to be committed to God you need to do:
Read your word – Basic Instructions Before Leaving Earth
 - When you start allowing the word to flow through you it starts to permeate and take over your life.
- Anger is like a poison that is trying to corrupt your treasury(heart)
- Sistar don’t voluntarily give your power to the enemy; you have enough trouble to overcome daily.
- Start looking at your test and trials as opportunities instead of woe is me!

When you are not under God’s authority there are 3 -D’s you need to overcome

- Let Go of **Discouragement**-
 - God’s word is the only thing you need to combat being discouraged.
 - God said he goes before you! If he goes before you that means that the victory is already won
