Sis.Tiffany’s Lesson Re-Cap| 09/08/24| Hoist the Flag and shout!

The following is a lesson recap of Sis. Tiffany’s

“Hoist the Flag and Shout”

Rom: 38-39

I am sure! Neither death, nor life, nor angels, nor rulers, nothing present, nothing that’s to come, nor powers, nor height, nor death, nor anything in all of creation will be able to separate us from the love of God in Christ Jesus our Lord.

---

*SisStar hoist your flag!*

*The Old Glory is your right now glory because Christ lives!  
Hoisting the flag is symbolic to recognizing one who is in charge!  
Activate your faith and hoist your flag SisStar!*

## **I. Reveille Time!**

- SisStar eyes up and feet on the ground it’s time to wake up!
- Sometimes SisStar we must be reminded of Prov 23:6 “Give God your ear, and observe the way that God is trying to instruct you in.
- SisStar remember that you are a vessel for the Lord almighty!
- Be open to where God is wanting to usher you into...there is a lesson in all things.
- SisStar stay connected to God and be open to where God wants you to move.
- Surrender unto God what he desires for you!

## II. The Battle Cry

- Often times before troops would prepare for battle there was someone called the bugler ringer would hold the flag in front of the troops and then there was often a song called the battle cry that was designed to help motivate the troops before they get ready for battle.
- SisStar in this life while dealing with life's battle you are going to need to have a battle cry!
- SisStar there will be times of need, and you will need to use your weapons of prayer & praise!
- When you have those two weapons you must be methodical.
- In hoisting the flag, there was a method in how to raise the flag; SisStar in your battlefield you are going to need to be methodical about how you get through life.
- SisStar use your playbook: (The Bible) it's your instructions to get through the tough times in life.
- SisStar God has you covered and wants to keep you!
- If you are already covered by the blood, then there is nothing you have to fear!

### **III. By Faith!**

- Remember Hebrews 11: 3-7!
- SisStar it's by your faith that you are able to overcome!
- SisStar your obedience is what God longs after!
- In the battle days the flag was called “Old Glory”. But we have an “Oh Glory” that is called Christ.
- SisStar the old Glory is sitting at the right-hand throne of God!
- SisStar Christ was born as a child, grew up and began showing his power, he gathered disciples, he went on trial and endured a death that was inhumane, and then he went to conquer death, hell, and the grave. Old Glory sits on the right hand of God.
- Because Christ lives; we get to obtain Glory that last forever!
