The body has 266 bones, 20,000 specs of hair, 40miles long of stretched
skin, a messaging system that all connects to the brain- 71billion brain cells
37 trillion cells in the body that are replaced every-day!
It Takes all parts of your body- mind, body, and soul
You have no reason to not love everything that God has created in and on
you!
Don’t take for granted anything that God has made for you!
Be committed to the one who has created you in his image*

Lesson 8 Re-Cap | 07/17/2022 | “ A Contrast in Behavior- Decisions vs Commitments”

True Christianity is more than coming to worship service!

Real Commitment is about not turning around; it's about committing to the trust that God has charged us with.

Be the character of your father; you can't take on life on your own, but you can when you have the Holy Spirit in your life.

There is no turning back! No turning Back!

Live a life full of contrast because you are no longer in the old way of living

Are you living the Godly alternative lifestyle? The lifestyle that God wants for you to be committed to being.

There is power to transform from the old to the new but it's only through the excellency that is in and through Jesus Christ!

Let go of the old and embrace the new! Be committed to God and him alone!
