## “No way of Escape”

( *The first pit* )

### The following is a lesson Recap

---

*Take advantage of each day because it's one that will never be again!*

*God will do it!*

*God doesn't have any garbage cans in heaven! Nothing you go through is wasted!*

#### **I. A Prepared Thing for a Prepared Purpose**

- ❖ Purpose is a lifestyle; it's a commitment to God
- ❖ Role does not equal purpose (we all have many roles we play in life)
- ❖ Your purpose is to be whatever God has prepared for you
- ❖ In life you will need to get away from the noise in your own self
- ❖ Sometimes you will run away from things that God is trying to lead you too
- ❖ There is a prepared place for you if you stay focused on God

#### **II. A Captive Audience**

- ❖ Don't wait to pray until your delivered pray while you're going through the trial
- ❖ There will be moments where you will be so overwhelmed, and prayer will not be your first go too.... (It will happen. Just stay focused)
- ❖ Sometimes being in a place of darkness is the **1st PIT** that God needs you to gain clarity
- ❖ Rejoice because you may be swallowed by trials, but you will not be chewed up!

#### **III. Prayer Changes Things**

- ❖ Your salvation is in the Lord only!
- ❖ When you find yourself in desperation learn to cry out!
- ❖ Even when you have caused yourself to be in unfavorable situations you must use your voice
- ❖ Your voice can't be heard if you don't cry out – use your voice!

Dr. Dye Lesson Recap| 12/11/2022| *"No way of escape"*

- ❖ **Boao-** Greek word that means to cry out- When the trials of life come about you need to go to the one that has all power and can bring you out from your trials
- ❖ You can't get anything if you don't speak out; if someone tells you to shut up you cry even louder!
