Sistar Tiffany's Lesson Re-Cap| 02/18/24| What are you doing to weather the storm?

- Don't allow the enemy to take what belongs to you all because you decided to be disobedient.
- It's a wonderful day in your life when you obey and become dependent on God because then you see his awesome power and understand that it's not by your strength but all because of God!

Walking by faith and not by sight is how I learn to trust each day!

Reading my words is what helps keep me from going astray!

When there are days that I just feel that I can't get by

Lord you're always there to help me fight the good fight of faith.

When there are mountains I can't climb Oh what a wonderful day in my life.

Lord I'm depending on you!

Lord I'm depending on you!

When I don't know where I'm going- Lord what a wonderful day in my life because I'm truly depending on you!

There have been so many times when I didn't know where I was going it proved to be the most wonderful day in my life because that's when I was truly depending on you!

Sistar you may not know where you're going or why trials are facing you but it's a wonderful day in your life because you can depend on your power source and that is God almighty!
