Reflections:

1. Faith is not a result of sight, but is a result of your **TRUST** in the object of your faith and your obedience to that object.
2. Faith is a lifestyle of obedience to the object of your faith.
3. The object of faith **MUST** be able to perform what which has been promised.
4. Do you trust the object of your faith? Does the object of your faith speak **TRUTH** and can your object deliver on promises?
5. The only object who speaks **TRUTH** and can deliver on the promises of that **TRUTH** is our Lord and Savior Jesus Christ.
6. Faith is “confident expectation” that the object of your faith can do just what He says.

Questions to Consider:

1. How can you “count it all joy” when you have various trials in life?
 2. Discuss what position you take when you are in the darkness of a storm.
 3. What provisions can you make prior to a storm since you know the storm is coming.
 4. Do you ever ask God “why” the storm and “when” it will end?
 5. Discuss what your faith means to you and how you “live” your faith.
