### II. Obedience is Key

- Allow the Holy Spirit to lead you in your daily walk
- When you allow the fruit to come in you; it begins to give way to the fruit that is supposed to be in you.
- Remember you are connected to the vine; you are a branch of the Lord almighty
- When you connect to the vine your fruit develops kills those fleshly desires to disobey
- Learn to mortify the works of the flesh; it’s only then can your obedience to God begin
- There is a lesson from the Amalekites-
  - Obey the voice of the Lord
  - Don’t move on your own accord it’s better to obey then to live off the temporary fat
  - Don’t allow your pride & fear to get in the way of what God has put forth in your life
  - Because of the disobedience of Saul, the very thing God said to destroy ended up destroying him and his people
