*A vowel is a sound that is made by allowing breath to flow out of the mouth, without closing any part of the mouth or throat.*

\*\*\*\*\*

### **I. It’s the A, E, I, O, U! Guess who!**

- In life you will go through seasons where you feel like your in a wonderland of trials
- When the Holy Spirit shows up he simply asks “who are you?”
- Sistar have you forgotten who you are?
- Have you found yourself with “Caterpillar” moments trying to decide which choices you will make?
- The Caterpillar represents “Holy Spirit”; God gives a free will and all that God ever wants from us is for us to choose to follow him.
- Life is full of choices but the question is “What will you choose?”

### **II. God will show up when you recognize who he is!**

- If you want to learn how you to recognize God’s calling you must call on “El Shaddai” = The Almighty all sufficient one, The God of more than enough
- God wants to show up for you, but you must first recognize who God is in your life.
- When you recognize who El Shaddai is in your life he gives you strength, territories, untapped blessings that you aren’t even asking for.
- When you find yourself in the wonderlands of life will you recognize “God” in your life
