Sis.Tiffany's Lesson Re-Cap| 09/01/24| No Man's Land

The following is a lesson recap of Sis. Tiffany's

"No Mans's Land"

Rom: 38-39

I am sure! Neither death, nor life, nor angels, nor rulers, nothing present, nothing that's to come, nor powers, nor height, nor death, nor anything in all of creation will be able to separate us from the love of God in Christ Jesus our Lord.

No man's land was the space between the enemy and soldiers were remnants where left to allow the enemy to study the opposition.

I. God is for you!

- SisStar God is interceding for you!
- If God is for you who can be against you?
- SisStar you are on operation obedience and God wants for you to succeed in your mission.
- SisStar you must be bold in your belief that God is for you!
- When God is for you during the battle; you don't have to fear!
- SisStar, are you operating as if God is not for you?
- If God is for you and watching over, you means that nothing else in the entire world matters!

Sis.Tiffany's Lesson Re-Cap| 09/01/24| No Man's Land

II. SisStar as a believer you are more than a conqueror!

- SisStar every time that you give in to fear; you're dropping your ammo shells onto no man's land.
- When you drop your shells; the enemy picks it up and observes what you are truly toiling with.
- The enemy uses your "fear shells" to create doubt and make you feel inferior.
- SisStar the enemy wants you feel as if your being twisted and pulled so that you think your going insane.
- SisStar avoid going into "no mans" territory by using your weapons!
- The enemy can't use anything but what you give him.
- SisStar have you been giving away your power?
- Whenever you find yourself being overwhelmed and feeling alone and not having power; you've entered "no man's land"
- SisStar use your weapon of prayer and praise to defeat your enemy!
-

III. You must be convicted!

- SisStar you must understand that your conviction in God almighty is what will carry you through your battlefield.
- Paul uses the perfect tense; meaning the "right now" to describe that "I am sure".
- SisStar you must remember the battles are won when you stick with God...no matter the circumstances.

Sis.Tiffany's Lesson Re-Cap| 09/01/24| No Man's Land

- When you use your weapon of praise it confuses the enemy!
- When you use your weapon of prayer it shifts your atmosphere!
- Don't allow the enemy to pick up your shell pieces and study you!
- Trust God!
- SisStar nothing that is on this Earth shall overtake you!
- God has your 6 SisStar! Because God is watching you; you can give your H.U.A which allows you to give your "Oorah" and that allows you to earn your Bravo Zulu!
- SisStar don't allow the enemy to steal your pieces...use your weapons so that you can stay out of that "No man's Land"
