*Sisters Happy Women's History Month! This is a month for us to rejoice!
God is the way the truth and the life and that never changes!
Sistar aren't you glad that nobody can take your place?
Don't worry because we belong to the great God who created all things!
You are in God's hands and there is nothing that can change that!*

I. Secrets in the closet

- A closet is a private place where things are hidden; if you are a doer of Gods' word then you don't have to worry about those hidden things.
- If you allow the baggage of the past to weigh you down you will not be able to experience the blessings God has for you!
- If you remain angry about past issues you will miss the experience of joy the Holy Spirit brings.
- Sistar you must deal with the things of your past so that you can obtain the abundance that is promised for you.
- Jesus came to heal the broken hearted and bring the sweet healing of peace.
- If you don't allow yourself to be freed you will be bound!

Dr.Dye's Lesson Re-Cap| 03/17/24|The principles of forgiveness.

- Sistar don't live in the reality of the past; forget those things and press toward the mark/prize!
- Sistar when you got saved and came into reality with the truth you become connected with the spirit instead allowing you to let go of your past.
- Sistar remember your vertical connection and avoid your horizontal distractions; look to the cross!
- Sistar you can carry self-blame and hide them in your secret closet(your mind).
- Sistar you can allow shame to build up in your secret closet it will keep you bound.
- When you come in contact with Christ you do not have to keep your closet as a place to hide things!
- Sistar you can use your closet as a store place for the blessings that God promises you!
- Sistar you don't have to allow the things of the past to control your mind; you are set free!
- When you are bound by emotions you forfeit the right to peace!
- There is a balm in Gilead and his name is Jesus!
- Allow the balm of Jesus to cover those horizontal issues!
Forgive yourself and allow light to come into those dark places!
- Allow Christ's light to illuminate your life!
- You have been brought out of darkness and into the marvelous light!
- God will keep you and if you Sistar allow the Holy Spirit to be your guide; you can open the closet doors and be free from hiding!
- Allow God's light to shine on those dark spaces and cover you!

II. **Out of the sewer**

- Holding on to anger is like you drinking poison and expecting someone else to die!
- To forgive: *to lose and set free: to give for in order to get something in return.*
- Unforgiveness is nothing more than unresolved anger!
- Allow the Holy Spirit to usher you into getting something from God!
- Sistar your job is to be a doer of the word and allow God to do the rest!
- Sistar if you wait for feelings you will never get past your emotions.
- Sistar begin working out what God is working within you!
- When God starts to work within you begin to put out what he puts in, and you learn to forgive!

Unforgiveness is like falling into a sewer!

God's word is like a playball that falls into the sewer. Sometimes God will allow you to fall into sewer places in life but when you reach down and grab the word. The grace of God lifts you and helps you to become stronger and the word covers and sets you free!

Sistars grab firm on the word(ball) and allow it to transform you and your mind. You know that the word is working because the Holy Spirit will allow you to be around the people and situations and not make you mad!

Sistar grab on to your ball of faith and watch God pull you up from your emotional sewers!
