Praising the Lord is a choice! What will you do?

IV. The Peace of God

- ♥ Everywhere you walk should bring the power of Peace
- ♥ Peace comes about because of the Holy Spirit
- ♥ Ever heard someone say "I had to lay down my religion and give them a piece of my mind" ...be careful where you lay your peace. You may not be able to get it back again
- ♥ Be careful when you give others a piece of your mind; you might give away so many pieces of your mind that you won't have anything left.
- ♥ Being a peacemaker is about you running away from those things that are evil, but we should be running to tell others about what God has done for you
- ♥ You run and tell everyone all of your other business but won't tell others about what God is doing in your life
- ♥ You have a story to tell; run and tell the world the peace that God gives you verses telling the world the pieces of your mind.
- ♥ Your entire life should be shielded by your faith; your faith should be your wall of protection against the enemy
- ♥ When you shield yourself with faith and use your peace to lock arms with other sisters then together a barrier is formed
- ♥ When sisters stand together there is a door that can not be penetrated against the enemy; the bond of sisterhood is the bonds of peace
- ♥ Synergy- "standing together with others that have common bond and interest"

Lesson 10 Part 3- Re-Cap | 09/04/2022| *“Holy Spirit Power- The Peace of God”*

- ♥ Don't give your territory over to the enemy; give your battle cry "HUA"
- ♥ Your "HUA" is a victory shout that says we are more than conquerors
- ♥ Draw your line in the sand and tell the enemy to flee
- ♥ A lesson from the muzzled oxen- When enemy forces decide to attack the pact of oxen will form a circle that helps protect the smaller or more vulnerable Oxen.
- ♥ When the enemy tries to fight, they can't penetrate the tight bonded circle
- ♥ When the enemy attacks he can only be defeated by the word of God which is your sword.
- ♥ Everything depends on the truth of God; God's truth must be settled in your heart.
- ♥ Your helmet is to protect your head; Satan only comes to destroy your mind but when you keep your helmet on your head you can defeat the enemy in spiritual warfare.
- ♥ When you have the word inside of you; and you keep your heart guarded the rest of your armor becomes defense protection against the enemy
- ♥ You need the word in order to live; the word is nourishment that helps give you life.
- ♥ The devil tries to tempt you when you're at your weakest; but when you remember the power that resides within you; you will win the fight
- ♥ Use the word because it is spirit, and it is life.
- ♥ The same spirit that raised Jesus up is the same spirit that lies in you
- ♥ Prayer is your resource- (to rise again or something you can use over and over)
- ♥ Prayer is the attitude you should use to fight the spiritual battle
- ♥ You don't have to fight people; you fight the spirit and gain the strength of God's might
- ♥ Speak words of love, and peace, pray for victory over your enemies
- ♥ Submit yourself to God; Put yourself in authority, and then the enemy will flee

Lesson 10 Part 3- Re-Cap | 09/04/2022| "Holy Spirit Power- The Peace of God"

- ♥ Submit to God; Submit to the power; and remember you are filled with the power of God
- ♥ Your power comes from the Holy Spirit! Pray with power!
- ♥ Sistar you are not alone; stand ready to cover one another
- ♥ We are a sisterhood- Hood means covering, and we stand together and endeavor to keep the unity and the bonds of peace!
- ♥ Speak as one and stand together as the strength of one!
- ♥ Sistar you are not my enemy; the enemy is the enemy and when you rest in the power of him, we gain power
- ♥ Defeat the enemy by having your armor on and be filled with gift of the Holy Spirit.
- ♥ God's word will never pass away!
- ♥ Be strong Sistar; God loves you and will always be near!
