Sis.Tiffany's Lesson Re-Cap| 08/25/24| Bravo Zulu

The following is a lesson recap of Sis. Tiffany's
"Bravo Zulu"

*SisStar we always have something to rejoice in because God is good.
Today SisStar you are on a mission: it is called "Operation Obedience: From Glory to
Glory"
The commander and chief has 4 critical instructions that will help us win the battle. The
commander has already guaranteed victory now it's up to you to gain the Bravo Zulu!*

I. Remember the Chain of command

- ❖ SisStar your first link of command is none other than Jesus.
- ❖ Christ was at the beginning of time and offered himself as a sacrifice. It's because of his blood that you are ready for the fight. **Heb 12:2**
- ❖ The next chain of command is the Holy Spirit – **John 14:26**
- ❖ SisStar you are going to be attacked simply because you bear the name of Christian.
- ❖ Because you bear Christ's name, and he is no longer physically here he left us with the Holy Spirit that will remind you of all the things Christ has instructed.
- ❖ How do you remember what the battle instructions are? Read the playbook called the B.I.B.L.E, it has everything you need to stay in obedience to the will of the father.

- ❖ SisStar you are going from Glory 2 Glory and on this mission you must remember who you belong too.
- ❖ The 3rd link in your chain of command is none other than Abba!
- ❖ God is your final authority. **Psalm 84:11-12**
- ❖ SisStar when you are blessed when you trust in God.
- ❖ **Definition of Trust:** *“Putting my full weight in God and believing that he will handle it all.”*
- ❖ SisStar your not in a physical fight; but you are in a spiritual battle and in order to make it through you must remember your chain of commands!
- ❖ There is nothing that one commander will know that the others won't. All 3 work together in perfect harmony!

II. Moral Responsibility

- ❖ SisStar keep your morals in check while on your mission to Glory.
- ❖ SisStar the way you perform when your not with others tells a lot about how you will perform in battle.
- ❖ SisStar read your playbook so that you know what to play when the time comes.
- ❖ Proverbs 11:3- SisStar your integrity is at stake; don't allow your duplicity (double mindedness/ deceit)
- ❖ SisStar how many times have you been in battle and lost the fight because you have been acting out of alignment with God.
- ❖ SisStar because you have given your H.U.A. to God you have committed that you will stand your ground even when troubles come.

III. The Unit of Cohesion

- ❖ SisStar you must be in 1 accord with one another so that we can fight the attacks of the enemy.
- ❖ 1Pet 3:8 – Be like minded with one another

- ❖ Prov 27:7 – Iron sharpens Iron
- ❖ SisStar there are times when you will get week and you need to lean on your covering to help propel you to the higher calling.
- ❖ No SisStar can do anything on her own: your sisterhood matters!
- ❖ SisStar there is a better glory that is waiting for you on the other side of this thing that we call life.
- ❖ SisStar it's battle zone time, and you need to be equipped to hoist yourself as well as helping your fellow SisStar.

IV. Level of efficiency

- ❖ SisStar your level of efficiency is the way you live your life each day.
- ❖ SisStar will you people be able to tell that you believe in God no matter the circumstance?
- ❖ Bravo Zulu- Comes from a Hebrew term “Ka Ha vad” which means all the honor and to give praise. You don't have to wait until the end of life...but you can Bravo Zulu right now!
- ❖ At the end of your mission SisStar if you stayed steadfast; you will be able to say “God I stood firm!”
- ❖ God I stayed the course and kept myself intact.
- ❖ SisStar the amazing thing about God is that you don't have to wait until the end...your Bravo Zulu comes when you complete any trial!
- ❖ Celebrate the fact that God is always near and you don't have to walk in fear!
