Sis. Katrina's lesson recap | 09/03/2023 | The audacity to rebuild.

The following is a lesson recap by Sis. Katrina Brown

### *The audacity to rebuild.*

**What does it mean to have audacity?** *Boldness or daring especially with confident, or arrogant disregard for personal safety convention thought or other restrictions, shameless boldness (Dictionary.com)*

**Is audacity a positive word?** It Depends on the person with the "Audacity."

**Positive:** having the bravery to do something that could offend others (brave, bold)

**Negative:** rude, disrespectful

As a Christian you should have the audacity to hope even when life doesn't give us the expectations we thought

### The Audacity to rebuild lesson recap.

*When you hear the word alter. What do you think about?*

*Sistar sometimes God will place you in a space that requires you to build and tear down all at the same time. Sistar are you ready to rebuild?*

- ❖ Focus Scripture I Kings 18:36- Understand there is a significance in knowing what came before just like "Abraham, Issac, and Jacob" remember what has been.
- ❖ Sistar sometimes God will take things away so that you can put some personal skin in the game.
- ❖ Remember the significance of the wells(Wells- those that were planted by the forefathers) Sistar you get to enjoy the wells that our father has built!
- ❖ Sometimes you will have to go back to the wells(God) in order for you to have your own personal connection!
- ❖ Sistar sometimes you have to get back to your alter of "jabek- the place of breaking" ; your jabek is your own journey to encounter God.

Sis. Katrina's lesson recap| 09/03/2023| The audacity to rebuild.

- ❖ Just as Jacob had to wrestle with the angel to have his own encounter with God; sometimes you have to be broken in order for God to restore you.
- ❖ Sistar the things that are designed to break you are often the things that bless you!
- ❖ It's in your broken places that you must have the audacity to say in your broken moments- God I will not leave until you bless me!
- ❖ When God breaks you; you will never be the same!
- ❖ Sometimes you must loose in order to gain the new that God has prepared for you!
- ❖ When you come through your brokenness you have a new name. (You will never be the same after your broken encounter)
- ❖ Sistar God loves you so much and has compassion and wants you to have a new start!
- ❖ Once you experience your broken moment, your healing begins!
- ❖ Sistar allow yourself to be broken by God in order for your compassion for others to grow.
- ❖ When you allow God to break you; God will bless not just you but your future generations.

*Sistar rebuild your faith!*

*Sistar you are living in the last days; have the audacity to rebuild the altars of your heart!*

*Remember that the crippling you might have because of your brokenness is designed by God to help you!*

*Remember that it is better to be limping in glory than to be standing upright and in hell each day(Quote by Sis. Katrina)*
