- Sistar your doing is what produces more from God.
- Sistar you know what you should do; but sometimes your flesh gives in and prevents you from doing it.
- When you don't do what God tells you to; he will make you suffer the consequences.
- Your "should's" need to tie into what you do!
- One of the benefits of being a doer of the word is that God promises exactly what he says he will do.
- Everything you bring to God is deemed important; that's why he wants you to bring your trials to him.
- Acknowledge God in all your ways and he has promised to direct your path.

### 2. Your Prayer is a delight to God.

- God takes pleasure in knowing that you are depending on him.
- God sings to you Sistar when you acknowledge him.
- Sistar you were created for all things and are designed to give God pleasure.
