- When you walk and talk with the Lord you get fueled with more power of the holy spirit.

III. Chambering the round is checking to ensure the bullets are in place.

- Sistar you must be sure that your weapons are in place at all times.
- You should be praying continually not just in times of troubles.
- Sistar you have the ability to pray at any time and for anything!
- Learn to prepare your weapons ahead of time so that you will be locked and loaded when it's time to attack!
- Psalm 66:19

IV. Unsnapping your holster is letting go of that old mindset!

- Unsnapping the holster is about getting into the right posture!
- 2 Chron 20:17- is a reminder that you must be ready for when not if the battle comes.
- Sistar stop missing out on your blessings because you won't remain in the correct posture!
- Sistar be ready to get into posture!

V. Low and Ready is all about your belief in God!

- Prov 3:5-6 is about you Sistar not believing in yourself of only in the one who created you and all things.
