Sis.Katrina's Lesson Re-Cap| 07/21/24|Bring your own oil

The following is a lesson recap of Sis. Katrina's

"The Oil is anointed"

I King 17: 7-13

---

*SisStars God will sometimes disrupt you in order to redirect you!  
Don't let your oil run dry! SisStar God will use whatever he needs in order to get the best out of you!*

**I. When God dries your brook!**

- SisStar God has a way of taking care of his children.
- God will often use unconventional ways to provide for your needs.
- SisStar are you relying on what has always been constant?
- God will sometimes dry up what has been your main source in order to get your obedience to him.
- Sometimes what God has been doing for you to sustain you is not what he has prepared for you in the new season.
- SisStar God knows you like comfort; but sometimes you must become uncomfortable in order to gain new insight.
- Sometimes as a daughter of the King you complain because you want things in the way you want it; instead of how God directs.
- SisStar God will speak to you directly yet even in his speaking you still won't be open to listening if your not ready to receive.
- SisStar be open to receiving what God has for you even if it doesn't come from people you think it should come from.
- SisStar sometimes the provision God has for you will have to come from the most uncommon people and places.

Sis.Katrina's Lesson Re-Cap| 07/21/24|Bring your own oil

- SisStar be careful not to miss the provision because your too busy looking at who is handing you the blessing.
- SisStar sometimes you resist where God is trying to lead you.
- When people mistreat you and you are in your season of lack; allow your faith to be bigger than your fear.
- SisStar when God comes and shows up in your life; there is nothing you can resist.
- SisStar sometimes God will bring you to famine moments in your life in order to help build your trust.
- SisStar God will often speak to your fear before he supplies the need.
- When God speaks to your insecurities; it will lead to your obedience.
- SisStar fall in love with God because he will speak to your fear, so that you may have peace.
- SisStar when God speaks up; you don't have to be afraid.
- SisStar God be open to hear from God because he is speaking to that thing that prevents you from doing what he has already told you to do.
- If you want to be used by God; bring your talents to him and let him make your oil run.
- SisStar everything you possess belongs to God!
- Give God what is owed to him!
- SisStar do not try to shortchange God; he wants you to have abundance, but we often miss out because we won't give!
- SisStar use every opportunity you are given because it's by your giving that we proclaim the risen savior!
- Shift your heart SisStar so that it may always go back to the one who is the sustainer of life.
- SisStar give your all to the Lord for he is the provider of all things; allow your oil to run!
