The girdle

The girdle was a tool used to hold the shape of a woman and keep everything together; just as the girdle holds items you have to be held by the truth.

Girdles were items used in the early 17th & 18th Century. It was an item that had guards to hold everything in place. The same can apply to the Holy Spirit that resides in you. It will guard you and keep you together, so you won't be loose and fall for the enemy's schemes.

Being guarded with your spiritual shoes

In the Biblical times when Paul was writing to the Christians about being strapped with spiritual shoes. It was a time when those who were fighting in battle had shoes that had perforated wedges, these wedges would have nail like studs that helped the soldiers be planted when they were getting ready to fight. Just as the soldiers had to be planted with their feet on the ground so should we be planted with our feet stuck into the word which gives us the foundation to withstand the test and trials of the enemy
